### About Us

---

Glotman•Simpson Consulting Engineers is one of North America’s leading engineering firms, providing innovative structural engineering solutions and unparalleled client service since 1964. For more than 55 years, we have provided structural engineering consulting services for over 5,000 projects in the areas of residential, commercial, industrial and institutional buildings. Our firm currently retains a staff of 80 passionate people who are part of the creative engineering behind some of the most recognizable and iconic structures in Vancouver, across Canada and throughout North America. Our firm boasts a depth of experience, ability and resources that enable us to provide high-quality design and personal service. Utilizing leading edge technology and diverse knowledge to provide innovative engineering solutions, our team of progressive, energetic professionals are committed to creating value for our clients.

### Indigenous Experience

---

In addition to the Señákw project, Glotman•Simpson has worked on many projects where indigenous values were important such as the Musqueam Community Centre and Haidi Gwaii Hospital and Health Centre.

### Team & Culture

---

Glotman•Simpson is committed to our team of great people and our core values bring to life what we strive for as a firm; together, we are committed to: servant leadership, integrity, great people, communication, passion, loyalty and alignment. Our diverse team includes many different talents, and our staff bring a unique level of expertise to every task, team, and project. From every department, including engineering design, drafting, construction administration, accounting, IT, marketing and administration, our industry leading team is our foundation. Glotman•Simpson also believes in providing an environment where careers flourish. Through offering numerous in-house training programs, on-the-job mentoring and encouraging regular professional development activities, we support continuous life-long learning and growth. We are a collaborative, creative and innovative team, living up to our motto, “Creative Thinkers, Cleverly Disguised as Engineers”.

#### Opportunity Description

---

- Glotman•Simpson is looking for a Junior CAD/BIM Technician to join our dynamic Vancouver, BC team. If you're looking to expand your knowledge in a challenging technical environment, we'd like to hear from you. This is an exciting opportunity for a candidate with a varied background that includes drawing preparation of concrete, steel and wood framed structures. This position involves accurately reading, interpreting, and preparing structural engineering plans and details in AutoCAD 2018 format; operating an integrating REVIT BIM model to collaborate with other disciplines on large scale projects; and, operating computer-assisted drafting equipment or a conventional drafting station. Our team offers excellent training to fit your current experience and to achieve your future goals.

#### Required Qualifications

---

- Graduated from a CAD/BIM Drafting program with a Diploma or Certificate.
- Ability to read, interpret and prepare structural engineering plans and details in AutoCAD 2014-2021 format
- Experience with REVIT Structures 2017-2021.
- Excellent verbal and written communication skills.
- Ability to work in a fast-paced, team environment.

#### Other Skills + Abilities (an asset, but not required)

---

- Previous drafting experience in other professional services firm.
- Construction site experience + knowledge.

#### Future Career Outcomes / Pathways

---

- Intermediate CAD/BIM Technician.
- Technician / Technologist.
- Construction Administration.
